

## DO YOU LOVE ART & DESIGN?

Do you enjoy collaborating with others to think creatively about real issues?  
Are you curious about the world and driving forward new ideas?  
Are you interested in AI and Technology of the future?  
Then an KPMG Apprenticeship in Technology could be for you! You will develop your technical skills in software, cyber and coding to offer tech-enabled solutions to a range of clients.

# WHERE COULD YOUR SUBJECTS TAKE YOU?

## DO YOU LOVE MATHS?

Do you enjoy analysing and interpreting information?  
Do you like the thrill of solving problems and finding solutions to challenges?  
Could you be a Critical Thinker?  
Why not explore a KPMG Apprenticeship in Audit- you'll be given the opportunity to work with the latest tools and digital technology to examine the financial accounts of some of the UK's biggest companies to ensure they are accurate and compliant.

## NOT A FAN OF THE ABOVE SUBJECTS?

**Don't worry! You can still apply for our Apprenticeships.**

It's surprising how far your subjects and skills can take you!  
Explore which Apprenticeship might be right for you at [kpmg.careers.co.uk/apprentice](https://kpmg.careers.co.uk/apprentice)
