

Dear Parent/Guardian,

As we adjust to the new legislation 'General Data Protection Regulation' which goes live on May 25th we need to ask for specific permission on how we use data. To conform with the new legislation we need to ask you to review the attached form regarding photography and respond accordingly. We have also taken the time to include our 'Privacy Notice' which details how and why we use your child's data.

Please print and return to the school at you earliest convenience.

If you have any questions regarding this information please contact Crofton's Data Protection Officer Jonathan Hickey – jhickey@croftonschool.co.uk

Kind regards,
